

CURRENT: 1978 INDEX

NUMBERS 199-208

JANUARY-DECEMBER

By Subject: Entries are listed here by subject, followed in order by month of appearance in Current, page number, and name of author.

By Author: The author index lists the names of authors and organizations whose works were reprinted in Current. Entries give the original source and date of articles, the titles of books and pamphlets, and the place and date of delivery of addresses. Full details on original sources can be found in each issue of Current.

In both the subject and author index, the month in italics and the numeral following it refer to the issue and page of Current where the material can be found.
